### Valuing Stock

The MSO credits a donor for a stock gift on the *date of transfer*. We value a gift according to the median of the high and low prices of the stock on the transfer date and the number of shares gifted.

*When transacting a gift of stock to the MSO, please ensure your name is included in the transfer so that we may provide you with the appropriate tax receipt. If you do not wish to be publicly recognized, please let us know directly and we will ensure your gift remains anonymous. Contact Karli Larsen, Director of Development Operations, at [larsenk@mso.org](mailto:larsenk@mso.org), or by phone at 414.226.7848.*

*It is the MSO's policy to sell stock shares as soon as they are donated.*
